

Spray Tanning - Minors Agreement

If a client is under the age of 18 years old, he/she is required to have a parent (or guardian) signature agreeing that the minor is allowed to be spray tanned by one of our spray tan technicians at Organic Spray by Maggie May. If the client is a minor, it is required that the client wear a top and bottom during the spray tan. The parent (or guardian) must be aware the technician may need to touch the client with a professional tanning solution paint brush, glove, or sunless applicator mitt at any time during the tanning process. For this reason, we require at least one adult over the age of 18 years old (with identification) to be present when a minor/group of minors are being spray tanned. This agreement must be signed within a week of the tanning appointment. All appointments require a credit card to hold reservations. Should something come up, we require clients cancel with our staff 24 hours in advance of the reservation, or the credit card will be charged the full amount of the cost of the reservation. This is our policy for legal reasons and we hope you understand.
